

# Tamansari is the palace garden

- **Tamansari is the palace garden or pesangrahan for the Sultan and his family. Tamansari located only 0.5 km south from the Palace in Yogyakarta, Indonesia. The main gate is the main path to Tamansari bathing pool.**

# Tamansari pool

- **This is the bathing pool, which was normally used for bathing for the wives of the sultan. The sultan (king) of Yogyakarta might have a total of forty wives. This pool is not use for bathing anymore, but only for tourist attraction.**

**Main  
Building  
for  
Sultan  
and his  
wives.**

# **Main Building for Sultan and his wives.**

- **This building was the main building of the garden. It has three levels. The sultan was using the second and the third level to look out his wives when they were bathing in the pool.**

# Chinese ornaments in Tamansari

- **Right above the wall in Sauna room, there is a Chinese ornament that symbolizes the Chinese calendar. The ornament also include some Javanese details.**

# Sauna Room

- **This was the place for the Sultan and his wives to relax after doing various activities in Tamansari pool.**

# Dressing Room

- **This room is located at the right of the entrance to Sauna room. It was used as a change room by the Sultan and his wives after doing activities in the pool and relaxing.**

# Gemuling Well

- **Gemuling well is located precisely under the stairs of the five-storey building. It is a circle-shaped well that was used for ritual of cleaning the body before praying at the underground mosque.**

# **The stairs symbolizes Rukun Islam**

- **The five stairs above Gemuling well symbolizes five Rukun Islam (Islamic traditional values), which are : Syahadat, Sholat (praying), Zakat (Donation), Puasa (fasting), Hajj in Mecca.**
