Membuat *Hello page*

The screenshot shows the 'My page' interface on the eLanguages platform. The breadcrumb trail is '> home > My page > hello page'. A navigation bar contains 'activity', 'hello page', 'clipboard', 'watch', and 'administration'. The 'User profile' section is titled 'Personalise your profile page' and includes a description: 'This area is intended to allow you to personalise your personal page for other users of the eLanguages platform. You can use this space to add information about yourself, your school, the classes you teach and your location. This information will be visible on the profile page from all projects you participate in as well as from the projects you are involved in.' Below this, there is a 'Test how it will look' section with 'add' and 'paste' buttons. An orange arrow points to the 'add' button. A yellow callout box is overlaid on the right side of the page, containing the text: 'Gunakan fungsi ini utk menambah informasi baru di halaman Anda' and 'Klik pada tanda *add*'. At the bottom of the page, there is an 'address' field with the text 'Vrba'.

Menambah sumber (*resources*)

The screenshot shows a web browser window with the eLanguages website. The browser's address bar contains 'Find Projects - Find Partner - Find Resource - Sitemap' and a search box. The website header includes the eLanguages logo, a language dropdown menu set to 'English', and a 'Go' button. Below the header, there is a breadcrumb trail: '> profiles > 457 > add resource'. The main content area is titled 'Add resource' and lists ten options, each with a blue icon and a description:

-  Project stage - add a project stage to group together content in themed topics.
-  Text - add text directly into your page. (e.g. paragraphs, headings and horizontal rules).
-  Image - add an image to your page.
-  Weblink - link to another webpage.
-  File - add a document, spreadsheet, presentation, movie clip, audio file, etc.
-  Page - add an additional project page to your project.
-  Gallery - add a gallery to display a collection of images.
-  Folder - add a folder to contain files or other resources.
-  Forum - add a forum into your project page.
-  Poll - add a user poll or question to your page.

Modifikasi sumber (*resources*)

The screenshot shows a web browser window with the address bar displaying "> home > Mypage > hello page". Below the address bar is a navigation menu with tabs for "activity", "hello page", "clipboard", "watch", and "administration". The main content area is titled "User profile" and "Personalise your profile page". It contains a paragraph of text explaining the purpose of the profile page. Below the text is a section titled "Test how it will look" with "add" and "paste" buttons. A large image of a street scene is displayed within an "editing unit" frame. Below the image is another set of "add" and "paste" buttons. To the right of the image is a form with input fields for "london", "postcode", and "country*". An orange callout box is overlaid on the right side of the image, containing the text "Gunakan fungsi ini untuk memodifikasi sumber (*resource*) Anda" and a toolbar with icons for add, subtract, edit, delete, and save. An orange arrow points from the callout box to the editing unit.
