Bagaimana Membuat Sebuah Proyek Yang bagus

- Proyek eLanguages terdiri dari 5 elemen:

- Judul

- Ringkasan

- Tahapan

- Deskripsi tahapan

Memulai proyek baru

The screenshot shows the 'Mypage' section of the eLanguages website. At the top, there is a navigation bar with 'Mypage' and 'Logoff' links, and a search bar. Below this is the 'eLanguages' logo and a language selection dropdown set to 'English'. The main content area is titled 'Mypage activity' and contains several sections: 'activity' (with sub-links for profile, clipboard, watch, and administration), 'My projects' (with a message that the user is not currently participating in any projects), 'My forums' (with a message that the user is not currently participating in any discussions), and 'Last 5 resources updated' (with a message that the user has not created any resources). A green callout box with the text 'Buka Mypage dan klik pada "Start a new project"' has a green arrow pointing to the 'Start a new project' link in the 'My projects' section.

pupils produce a class magazine. We would then send you a double page each week, on a different topic, for your class to read and reply to. The topics I suggest are: Introducing themselves (Briefeunde); their environment (wo ich wohne); their interests (meine Freizeit); their school (meine Schule) and Easter traditions (Ostern). In this way, my pupils could practise their German, as well as learn some new language. They could also find out cultural information about Germany

Project stages: - introducing ourselves (Briefeunde) - my environment (wo ich wohne) - their interests (meine Freizeit);

Develop some audio resources produced by our pupils, with the aim of them producing digital recordings in

Memulai proyek baru

The screenshot shows the 'Project Properties' page in the eLanguages system. The page includes a navigation bar with 'Mypage' and 'Logoff' links, and a user profile picture. The main content area is titled 'Project' and contains a 'Properties' section with the following fields:

- project title ***: A text input field.
- proposal**: A large text area for describing the project.
- language ***: A dropdown menu currently set to 'English'.
- target age range ***: Two input fields separated by a hyphen.
- look and feel ***: A dropdown menu currently set to 'Standard Stylesheet (System Administrator)'.

Below the form are 'save' and 'clear' buttons. To the right, there is a section titled 'Additional project pages' with a radio button labeled 'Completed'. A green overlay with white text is centered over the form, providing instructions.

Lengkapi halamannya dan simpan

Proposal proyek Anda akan dilihat oleh guru dari seluruh dunia. Dan mereka akan memutuskan apakah akan bergabung dengan proyek Anda atau proyek lain.

Anda dapat selalu merubah proposal proyek Anda kapanpun dibutuhkan.

The footer of the page includes a breadcrumb trail: '> home > eLanguages projects > 11 - 16 > project properties' and a copyright notice: '© Crown Copyright 2004 | Disclaimer | Privacy | Complaints | Contact | Accessibility'.

Bagaimana caranya mengganti proposal proyek Anda?

The screenshot shows the eLanguages website interface. At the top, there is a navigation bar with links for 'Find Projects - Find Partner - Sitemap' and a search box. Below this is the eLanguages logo and a language selection dropdown set to 'English +'. A secondary navigation bar contains links for 'Edit mode', 'Properties', 'Permissions', and 'Help'. The main content area displays the project title 'eLanguages workshop, Yogyakarta 2-4 November 2008' and various project details such as 'Age range', 'Project stage', 'Rating', 'Last update', and 'Owner'. A green arrow points to the 'Properties' link in the top navigation bar. A green box with white text is overlaid on the page, containing the instruction 'Klik pada tanda 'properties''.

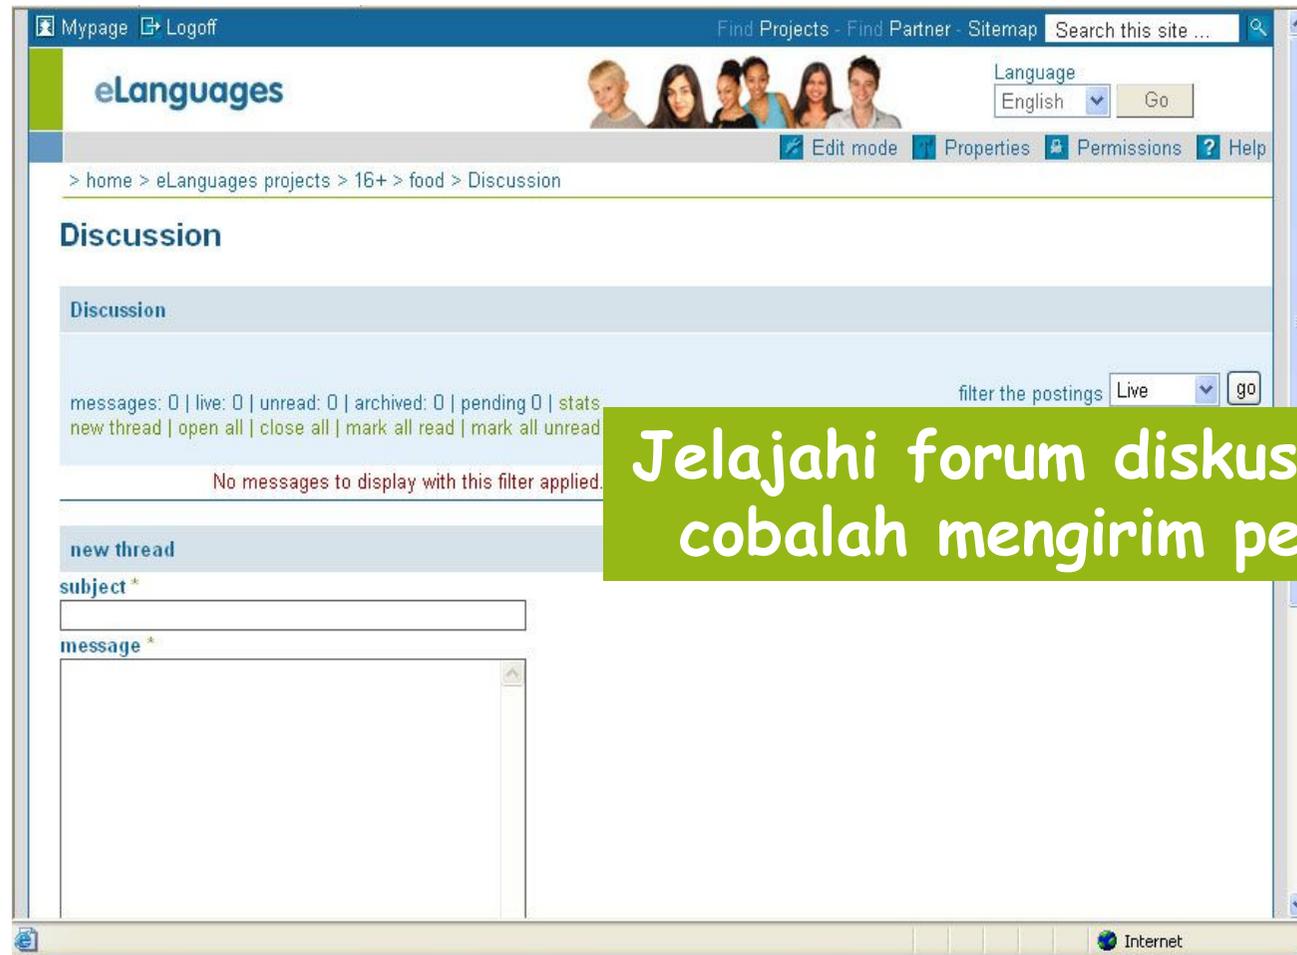

Halaman proyek: halaman diskusi

- Setiap proyek mempunyai halaman diskusi.
- Tujuannya adalah sebagai wadah untuk saling berdiskusi dan meninggalkan pesan untuk setiap proyek.
- Daripada mengirim *email* utk berkomunikasi dengan mitra Anda, Anda dapat meninggalkan pesan utk mitra Anda di forum diskusi.
- Kami akan jelaskan bagaimana sistem akan memberitahu Anda bila ada sebuah pesan baru untuk Anda.

The screenshot shows a web browser displaying the eLanguages project discussion page. The page title is "Discussion page" and the breadcrumb trail is "> home > eLanguages projects > 5 - 10 > Pocho and Amanda > Discussion page". The page features a "Meetings" section with a list of messages. The first message is from "students" and says "my students are very excited to be part of the project". The second message is from "Amanda Mikalauskas" and says "Hi Pocho, I am back in Stoke...very tired. Have told my class all about the project and they are starting to write their letters now! They will write in English but try to translate some into Spanish if they can. It was great to meet you last week X". The page also includes a "Back in Stoke" section with a message from "Amanda Mikalauskas" asking for ideas for the project's name. The page has a navigation bar at the top with links for "Mypage", "Logoff", "Find Projects", "Find Partner", "Sitemap", and "Search". There is also a language dropdown menu set to "English".
