The screenshot shows the eLanguages website interface. At the top, there is a navigation bar with links for 'My page', 'Logoff', 'Find Projects', 'Find Partner', 'Find Resource', 'Sitemap', and a search box. The main header features the 'eLanguages' logo, a group of diverse people, and a language selection dropdown set to 'English'. Below the header, a breadcrumb trail shows '> home'. The main content area is titled 'Creative collaboration for teachers globally' and contains three blue boxes with questions and answers: 'What does a project look like? Explore a model project', 'Why do teachers use eLanguages? Find out why teachers are so excited about eLanguages', and 'How do I get started? Just register and off you go'. A paragraph of text describes the program as a free-to-use online collaborative programme. On the right side, there is a vertical menu with links: 'About eLanguages', 'Key facts about eLanguages', 'Register now', 'Sign up for an eLanguages account', and 'Model projects'. At the bottom, there are two columns: 'eLanguages projects' with categories like 'Under 5', '5+', '10+', '16+', and 'Teacher development'; and 'Last five projects' listing 'Teacher training workshop Qatar, Doha', 'Weil der Stadt - Our Hometown', 'SANL', 'School Life in Lindfield - England', and 'Comparing Sports Practised by 8-11'.
