The Children involved in this project were very eager to make their play more dynamic and interactive and wanted to interact with their real environment rather than the limited confines of a stage, as this enabled them to explore and act out their play more meaningfully and visually with the intent and vision that they had wished for. They thoroughly enjoyed this project.

Wangjia and Jenny are Penpals. Wangjia lives in Harbin and Jenny lives in London. They both have the same Birthday, it is on the opening day of the Olympics — 8th August. They each chose a birthday present and posted them to each other with some help from their 4 friends. They both received their birthday presents. Jenny called Wangjia on the day of their joint birthdays when she finished school at 3:30pm, Wangjia was already sleeping in her bed as it was 10:30pm in China.

王佳和珍妮是笔友。王佳住在哈尔滨，珍妮住在伦敦。她们的生日是同一天，都是8月8日，正是奥运会开幕式的那天。王佳和珍妮在她们各自四位朋友的帮助下为对方挑选了一份生日礼物，并且邮寄给了对方。她们都收到了对方寄来的礼物。生日的那天，珍妮在放学时给王佳挂了电话问候生日快乐，由于时间差的原因，王佳那时却正在睡觉。
